

# KIDS IN THE KITCHEN AGAIN!

## **Cooking classes for children 5-12 years old Every Other Sunday from January-April**

The 2009 kids cooking classes were so much fun, we're doing it again! This time, travel all over the world from the Flying Squirrel kitchen on Sunday afternoons. Each class will be a cooking adventure to a different country and participants will work together using basic cooking techniques to create and then eat a variety of international foods.
